Prayer for the persecuted and prisoners (Écho Trinitaires-Province Sacred Heart of Jesus)

You cannot abandon, Lord, those who accept to lose their freedom for love of Your Name and the defense of their brothers and sisters, because they are persecuted with Your Son, Give them the strength they need to bear witness to the Gospel with certainty: that they may draw comfort from the prayer of the Church and finally regain the freedom you want for all your children. Through Jesus, Christ our Redeemer, Amen.

INDIA: A TRINITARY SOCIAL RESPONSE OF THE VICE PROVINCE Saint Michael of the Saints

Engaging in difficult times has always been a characteristic of the Trinitarians. And we could not help ourselves even in this Covid-19 emergency time. A time when mankind faces this invisible and fearsome enemy. There are many people whose lives may not matter to the majority. These are the low-income families and migrant families. The Trinitarians in India are making great efforts to do the best they can, reaching out to the needy and the afflicted.

The communities of the Vice Province of St. Michael of the Saints (India) carry out special prayers on behalf of our brothers and sisters in precarious situations. The communities of Assam and Bangalore provide essential food for the neediest in nearby villages.

In Assam about 80 families have been counted and in Bangalore 25 families. In addition, in collaboration with the Jesuits of Karnataka, the Trinitarian community in Bangalore has made about 2000 bags of food grains each

containing 25-30 kilograms of food items. The Assam community reached several villages to educate and raise awareness about how to remain safe during the pandemic.
